Investment objective

This Sub-Fund aims to provide superior capital growth by investing primarily in shares of companies with strong growth potential. The Sub-Fund uses a bottom-up earnings growth style, looking at a company's revenue, earnings, profitability, earnings quality and growth potential, as well as an industry's strength and the prevailing macroeconomic landscape. The Sub-Fund will generally invest in companies with market capitalizations of greater than US\$500 million at the time of purchase, but is permitted to hold companies with market capitalizations below this threshold. Exchanges in which the Sub-Fund invests include, but are not limited to, the major exchanges located in North America, Europe, and Asia Pacific.

Disclaimer

This document is issued by Eastspring Investments (Singapore) Limited (UEN: 199407631H). Eastspring Investments (Singapore) Limited is the appointed Singapore Representative and agent for service of process in Singapore. This advertisement has not been reviewed by the Monetary Authority of Singapore.

The Fund is a sub-fund of Eastspring Investments, an open-ended investment company with variable capital (Société d'Investissement à Capital Variable or SICAV) registered in the Grand Duchy of Luxembourg, which qualifies as an Undertakings for Collective Investment in Transferable Securities ("UCITS") under relevant EU legislation. The Management Company of the SICAV is Eastspring Investments (Luxembourg) S.A., Grand-Duchy of Luxembourg.

All transactions into the Fund should be based on the Singapore Prospectus and Product Highlights Sheet ("PHS"). Such documents, together with the articles of incorporation of the SICAV and the most recent financial reports, may be obtained free of charge from Eastspring Investments (Luxembourg) S.A., or at relevant Eastspring Investments business units/website and their distribution partners.

This document is solely for information and does not have any regard to the specific investment objectives, financial or tax situation and the particular needs of any specific person who may receive this document. This document is not intended as an offer, a solicitation of offer or a recommendation, to deal in shares of securities or any financial instruments.

Please refer to the offering documents for details on fees and charges, dealing and redemption, product features, risk factors and seek professional advice before making any investment decision. An investment in the Fund is subject to investment risks, including the possible loss of the principal amount invested. The value of shares in the Fund and the income accruing to the shares, if any, may fall or rise. Where an investment is denominated in a currency other than the base currency of the Fund, exchange rates may have an adverse effect on the value, price or income of that investment. Investors should not make any investment decision solely based on this document. Investors may wish to seek advice from a financial adviser before purchasing shares of the Fund. In the event that an investor may choose not to seek advice from a financial adviser, the latter should consider carefully whether the Fund in question is suitable for him.

Past performance and the predictions, projections, or forecasts on the economy, securities markets or the economic trends of the markets are not necessarily indicative of the future or likely performance of Eastspring Investments or any of the funds managed by Eastspring Investments. There are limitations to the use of indices as proxies for the past performance in the respective asset classes/sector.

The Fund may use derivative instruments for efficient portfolio management and/or hedging purposes.

For Funds intending to pay distributions: Distributions are not guaranteed and may fluctuate. Payment of distributions out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment. Any payment of distributions by the Fund will result in an immediate reduction in the net asset value per unit/share. Positive distribution yield does not imply a positive return and should not be confused with the Fund's performance. Past distributions are not necessarily indicative of future trends, which may be lower. Distribution payouts and its frequency are determined by the Manager/ Board of Directors. Distribution of dividends is at the discretion of the Manager/ Board of Directors taking into consideration market conditions and underlying securities.

Eastspring Singapore is an ultimately wholly-owned subsidiary of Prudential plc of the United Kingdom. Eastspring Singapore and Prudential plc are not affiliated in any manner with Prudential Financial, Inc., a company whose principal place of business is in the United States of America or with the Prudential Assurance Company Limited, a subsidiary of M&G plc, a company incorporated in the United Kingdom.

In case of discrepancy between the English and Chinese versions, the English version shall prevail.

WHAT ARE THE RISKS?

CAPITAL: Investment markets are subject to economic, regulatory, market sentiment and political risks. All investors should consider the risks that may impact their capital, before investing. The value of your investment may become worth more or less than at the time of the original investment. The Fund may experience a high volatility from time to time.

CONCENTRATION: Concentration of investments within securities, sectors or industries, or geographical regions may impact performance.

CURRENCY: The value of the Fund may be affected by changes in currency exchange rates. Unhedged currency risk may subject the Fund to significant volatility.

EMERGING MARKETS: Emerging markets may be subject to custodial and political risks, and volatility. Investment in foreign currency entails exchange risks.

EQUITIES: Investments may be volatile and may fluctuate according to market conditions, the performance of individual companies and that of the broader equity market.

HEDGING: Any hedging strategy using derivatives may not achieve a perfect hedge.

MANAGER: Investment performance depends on the investment management team and their investment strategies. If the strategies do not perform as expected, if opportunities to implement them do not arise, or if the team does not implement its investment strategies successfully; then a fund may underperform or experience losses.

SUSTAINABILITY: A Sustainability Risk can be defined as an environmental, social or governance event or condition that, if it occurs, could cause an actual or potential material negative impact on the value of an investment.

Before subscribing, please refer to the Fund offering documents/prospectus for further risk factors and pre-investment disclosures. For the latest NAV, please visit www.fundinfo.com.
