## GLOSSARY

**Maximum Drawdown:** the fund's largest percentage loss over the past 5 years (or since inception if the fund has been operating for less than 5 years) measured from peak NAV/unit to lowest NAV/unit during a decline. The Maximum Drawdown helps provide some indication of the risk of potential loss when investing in the fund.

**Recovery Period:** the time it takes to regain losses; this data provides information about how long it took to climb back from the largest loss to a former peak.

**FX Hedging:** the percentage of foreign investments that are hedged against foreign exchange risk.

**Portfolio Turnover:** illustrates how active the portfolio is traded during a particular period. This is calculated by dividing the value of total purchases in 1 year or the value of total sales in 1 year, whichever is lower, by the fund's average NAV over the same period being measured. A fund with a high Portfolio Turnover ratio denotes that its portfolio managers actively trades the securities in the portfolio; this incurs considerable trading costs which should be taken into consideration in comparison with the performance of fund to ascertain whether the active trading activity is well justified.

**Sharpe Ratio:** the ratio between excess return achieved by the fund compared to investment risks taken. It is determined from the difference between the fund's return and the Risk-Free Rate, compared to the fund's volatility (Standard Deviation). The Sharpe Ratio reflects the excess return the fund generates given its risk exposure. A fund with a higher Sharpe Ratio denotes a better-managed fund since it is able to generate a higher return over a similar risk exposure.

**Alpha:** excess return generated by the fund when compared to its benchmark index. A high Alpha figure illustrates that the fund is able to achieve a higher return than the benchmark due to the fund managers' ability to select good investments and appropriate timing.

**Beta:** magnitude and direction of the performance of securities in the portfolio relative to the market's return. A Beta lower than 1 denotes that the return of the securities in the portfolio is less sensitive to changes in the market's return. A Beta higher than 1 indicates that the return of the securities in the portfolio deviates by a larger magnitude in comparison to changes in the market's return.

**Tracking Error:** the fund's ability to replicate the performance of its benchmark index is measured as Tracking Error. A low figure shows that the fund can efficiently match the benchmark's movement and generate similar performance. A fund with a high tracking error will generally have average returns that deviate from the benchmark index.

**Yield to Maturity:** the return from investment in a fixed income instrument that is held until maturity. It is calculated from the stream of coupon payments to receive in the future plus the principal to be paid back, adjusted into present value terms. It indicates the overall return of a fixed income fund by summing the weighted average Yield to Maturity of each fixed income instrument in the portfolio. Since Yield to Maturity is expressed as a percentage per annum, it can be conveniently used to compare fixed income funds which will hold their debt securities until maturity and have similar investment policies.

The management company reserves the right to charge different fees for front-end fees and/or back-end fees and/or switching-fees investment units for each group of investors. The management company will exempt such fees for institutional investors who open investment unit trading accounts directly with the management company, including non-profit institutional investors established under the Securities and Exchange Act B.E. 2535, institutional investors established under the Social Security Act B.E. 2533, life and non-life insurance businesses, specialized banks, provident funds under the management of Eastspring Asset Management, investment unit accounts linked to life insurance policies or so-called life insurance policies linked to investment units (Unit-linked) of life insurance companies that Eastspring Asset Management has assigned to support the sale or repurchase.

In the event that the Management Company is unable to deliver funds to unitholders through the channels that the unitholders have requested, the Management Company reserves the right to transfer funds (deliver funds) to unitholders through other channels, such as transferring funds via the PromptPay system (citizen ID card number), etc., or any other methods that the Management Company deems appropriate, with the unitholders' interests as the main priority, so that unitholders receive the refunds to their rights.

ES/SPD/PM 057/2025

25 April 2025

To: Investment unitholder:

Thanachart Japan Equity Fund (T-JapanEQ)

Subject : Notify the results of the resolution for the merger and dissolution of the Thanachart Japan Equity Fund (T-JapanEQ) for the 1st time and Requesting for resolution of investment unitholders to merge funds and dissolution the Thanachart Japan Equity Fund (T-JapanEQ) for the 2nd time

Reference : The letter from Eastspring Asset Management (Thailand) Co., Ltd., ES/SPD/PM 025/2568, regarding the request for unitholders' resolution for the fund merger and dissolution Thanachart Japan Equity Fund (T-JapanEQ), March 7, 2025

- Enclosure
1. Detail of the security and investment proportion of investment, balance sheet of Thanachart Japan Equity Fund (T-JapanEQ) and balance sheet (Estimation) of Eastspring Japan Active Equity Fund (ES-JPNAE) after merging the funds
  2. Summary of key points and fund performance of Eastspring Japan Active Equity Fund (ES-JPNAE) and Thanachart Japan Equity Fund (T-JapanEQ) and the comparison table of topics and details of the additional fund project amendments to the ES-JPNAE project
  3. Key steps in the process of merging funds
  4. Notification of the resolution to merge funds and dissolution T-JapanEQ 2nd time

As Eastspring Asset Management (Thailand) Co., Ltd. ("the Management Company"), as the manager of the Thanachart Japan Equity Fund (T-JapanEQ) ("the Fund"), has submitted the referenced documents to request a resolution from unitholders for the fund merger and dissolution

The Management Company would like to inform you that the responses received from unitholders did not meet the quorum requirements as specified in the Notification No. GorNor. 7/2562 of the Office of the Securities and Exchange Commission (SEC). According to this notification, the Management Company is allowed to send a new resolution request (2nd time). Therefore, the Management Company is submitting the resolution request to you again (2nd time) because the Management Company still believes that the fund merger and amendments to the mutual fund project will enhance the efficiency of fund management, under the best interests of the mutual fund and unitholders. For this 2nd resolution request, a quorum is not required.

The resolution is to transfer of T-JapanEQ to merge with Eastspring Japan Active Equity Fund (ES-JPNAE) by transferring all assets, rights and obligations of the Fund, including dissolution T-JapanEQ. **In this case, the investment unitholder can exercise the right to vote for resolution from 25 April 2025 until 26 May 2025 which is the last day of receiving notification of having resolution; The detail is as follows:**

**1. Reasons and necessity of merging funds**

Due to the fact that TMB Asset Management Company Limited and Thanachart Fund Management Company Limited have been allowed to merge the two companies together under the name of Eastspring Asset Management (Thailand) Company Limited. In this case, the Management Company would like to merge funds of both companies that have the same or similar investment policies to make the fund management more efficient with a larger fund size to maximize benefits for mutual funds and unitholders.

**2. Opinion of the Management Company**

The Management Company has the opinion that request for resolution from unitholders to merge funds. The resolution is to transfer of Thanachart Japan Equity Fund (T-JapanEQ) to merge with Eastspring Japan Active Equity Fund (ES-JPNAE) having the same investment policy and investing in the same master fund, namely Eastspring Investment- Japan Dynamic Fund, therefore this will create an opportunity for more efficient investment management with a larger fund size, resulting in more flexible and efficient investments.

However, the two funds still have differences, summarized as follows:

Subjects	ES-JPNAE	T-JapanEQ
1. Investment in Domestic CIS Units	Not Exceeding 10% of NAV	Not Exceeding 20% of NAV
2. Redemption of Investment Units	- Discretionary Redemption of Investment Units by Unit Holders	- Discretionary Redemption of Investment Units by Unit Holders - Automatic Redemption of Investment Units (Auto Redemption)

Due to the T-JapanEQ being an auto redemption fund, in addition to allowing unitholders to decide to redeem units themselves, if the fund receives approval for a merger, the Management Company will transfer the T-JapanEQ to merge with ES-JPNAE in the share class - auto redemption (ES-JPNAE -R)\* (ES-

JPNAE is in the process of requesting fund management project amendments with the SEC to add the auto redemption share class (ES-JPNAE -R)\* to support the aforementioned merger).

The transfer of T-JapanEQ to merge with the ES-JPNAE - auto redemption type (ES-JPNAE -R) will use the fee and expense rates charged to the ES-JPNAE-R fund and its unitholders according to the maximum rates and actual charges of the ES-JPNAE fund. Unitholders can review the information and details in the Enclosure No. 2.

Including the ES-JPNAE fund, which is in the process of seeking approval for fund merger along with amendments to the project regarding the redemption payment period to comply with the SEC's announcement.

Note: \*Unitholders can review the details of the T-JapanEQ fund and the ES-JPNAE fund, including the details of the share class with automatic redemption (ES-JPNAE-R), as well as the details of the amendments to the ES-JPNAE fund project in the "Summary of Key Information and Performance of the ES-JPNAE and T-JapanEQ Funds" and the "Comparison Table of Topics and Details for Approval to Amend the ES-JPNAE fund management project" (according to the Enclosure No. 2).

#### **Additional information**

- Right of unitholders
  - 1) The right of unitholders during the period from the date the Management Company send notice to request for resolution until the date merging such funds. The unitholder can also sell or switching out the investment unit as usual, but the Management Company may reserve the right to reject or stop receiving purchase order or switching in the investment unit during such period. The Management Company shall notify the unitholder in advance through website of the Management Company ([www.eastspring.co.th](http://www.eastspring.co.th))
  - 2) For Auto Investment Plan (AIP) or regular investment unit purchase orders (Saving Plan) (if any), the Management Company reserves the right to cancel such AIP or Saving Plan after the date of receiving the fund merger resolution. The unitholders will be notified of the effective date of cancellation via the Management Company website ([www.eastspring.co.th](http://www.eastspring.co.th)).
  - 3) The Management Company gives right to unitholders of the fund who do not agree with transfer into ES-JPNAE. The unitholders can sell or switching out the investment units to other funds with exit without fee of this fund (if any) within the specified period. The Management Company will inform the unitholder in advance through website of the Management Company ([www.eastspring.co.th](http://www.eastspring.co.th))

- 4) For various expenses related to this fund merging, the Management Company will be responsible for, for example, expenses for obtaining unitholders' resolutions, etc.

### 3. Independent Oversight Entity: IOE

The Independent Oversight Entity has considered and opined that the transfer of T-JapanEQ to merge with the ES-JPNAE and the dissolution of the T-JapanEQ will benefit the fund and its unitholders in terms of management. The larger fund size may help improve both investment management and liquidity management. However, unitholders should consider the fund's fees and expenses to make an informed decision and including the fund project amendments regarding the redemption payment period to comply with the SEC's announcement and regarding the amendments to the ES-JPNAE fund project the redemption payment period, unitholders will continue to receive the redemption payments as usual without any changes.

### The investment unitholder having right to vote

In voting for this resolution, the Management Company will consider the list of unitholders who have the right to vote by using the name and database of investment units as shown in the register of unitholders ending on date **18 April 2025**. In this case, the Management Company has notified the unitholders of the record date for unitholders who have the right to vote on **11 April 2025** disclosing to unitholders for acknowledgement through the notice on website of the Management Company.

### Approval to merge funds

Request for resolution to merge funds (2nd time) does not require a quorum. The resolution must be approved by more than 3 in 4 (75%) of the total units held by unitholders who are eligible to vote and have submitted their votes, in accordance with the guidelines set forth in Notification No. GorNor. 7/2562 regarding the guidelines for requesting unitholders' resolutions from the Office of the Securities and Exchange Commission.

### Vote

The Management Company will request a resolution to merge funds. Unitholders can exercise their voting rights from **25 April 2025 until 26 May 2025** which is the last day to receive notification of the fund merger resolution. The date on which the letter was received by the service provider will be considered a reply stamp or of those selling agents of fund or of the Management Company when sent directly to the Management Company (depending on the case) and if the Management Company does not receive notification of the resolution within the said period, the Management Company will consider as "No voting"

In this regard, the Management Company would like to thank you very much for your trust in using the mutual fund services of the Management Company well for all the time throughout and if unitholders have any questions or need additional information, please contact the Investment Advisory Center Tel. 1725 during business days at 8.30-17.00 hours

Sincerely yours,

**Eastspring Asset Management (Thailand) Co., Ltd.**
